5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**

This project consists of installing 38 LED Cobrahead-style luminaires on wood poles with overhead wiring on McCutcheon Road between Sunbury Road and Stelzer Road, and other such work as may be necessary to complete the contract, in accordance with the drawings and specifications.

Community Planning Area: "Northeast"

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

All work shall be complete within 180 calendar days of the Notice to Proceed. The City anticipates issuing a Notice to proceed on or about November/December, 2017.

7. **A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

This work is being performed with the City of Columbus's goal to light every street. The addition of street lighting within the McCutcheon Road area could provide both a sense of security and additional visibility on the roadways. This may also deter criminal activity, which would lessen the financial impact on city resources such as the Police and Fire departments.

8. **An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

The bid amount and proposed award amount is \$175,734.01, including a 10% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Cost summary:

Original Contract	\$175,734.01
Future Anticipated Needs	\$ 0.00
CONTRACT TOTAL	\$175,734.01

**Construction Administration / Inspection will be performed by PRIME AE Group, Inc., authorized under Ordinance No. 2170-2017.
