3.2. **Renewal Option(s).** Subject to Lessor approval, this Agreement may be renewed for one (1) additional ten (10) year term upon written notice from Lessee to Lessor at least sixty (60) days prior to the expiration of the Lease.

ARTICLE 4. CONSIDERATION.

4.1 “**Rent**” is a calculable monetary amount based upon the number of docks, stakes, moorings, boats, boat trailers, and small vessel rafts stored at the Premises by the Lessee according to the fee schedule and further defined and enumerated in the Attached **Exhibit C**.

The Lessee, in consideration of the Lessor leasing the Premises to Lessee to operate the Program, is required to pay, by cash or check, the Rent in **two (2) annual installment payments** to the Lessor, payable to **Columbus City Treasurer**. Lessee is required to pay the **(i)** first (1st) biannual Rent payment to the Lessor by no later than **May 1st** of each Lease year for the Term; and **(ii)** second (2nd) biannual Rent payment to the Lessor by no later than **September 1st** of each Lease year for the Term. Invoices will be sent on or near April 1st of each Lease year with estimated rent based off the previous Lease year. Invoices will be sent on or near August 1st and will reflect actual annual fees for the Lease year, subtracting payment received in May.

4.2. **Itemization & Rent Modification.** The Lessee, in order to appropriately calculate the Rent, is required to provide the Lessor an itemized written summary by July 1st of any Lease year detailing the number of Lessee’s actual docks, stakes, moorings, boats, boat trailers, and small vessel rafts stored at the Premises. Furthermore, Lessee understands the Lessor reserves and possesses the rights to modify the Rent’s fee schedule. Notice of any increases in fees shall be delivered to Lessee before or during the month of May of the year prior to the year of any such fee increase.

4.3. **Late Fee(s).** “**Late Fee(s)**” is defined as those charges for Lessee’s failure to timely pay Rent or any other amount due under this Agreement calculated at a charge equal to **five (5) percent** of the overdue amount, plus any attorneys' fees incurred by the Lessor by reason of Lessee’s failure to pay Rent or other charges. If any installment of Rent or any other sum due from Lessee is not received by the Lessor or its designee within **ten (10) days** after the sum is due, then Lessee is required to pay to the Lessor Late Fee(s) plus any attorneys' fees incurred by the Lessor by reason of Lessee’s failure to pay the charge(s) when due under this Agreement. Accordingly, Lessee’s Late Fee(s) are deemed “**additional rent**,” and the Lessor’s right to be compensated this amount in addition to all of the Lessor’s other rights and remedies under this Agreement or at law will not be construed as liquidated damages or as limiting the Lessor’s remedies in any manner. In addition to Late Fee(s), any Rent or other amounts owing under this Agreement that are not paid on or before the date they are due will continue to bear interest until paid at a rate per annum equal to **fifteen (15) percent, per annum**, provided that in no case this rate will be higher than the highest rate permitted by applicable law. The Lessor reserves the rights to declare a default by the Lessee and automatically terminate this Agreement upon Lessee’s breach of this section regardless of any other provision of this Agreement.

4.4 **Rent Reduction.** Due to an ongoing partnership between Lessee and Lessor's Therapeutic Recreation Program, an annual rent reduction shall be authorized each year as outlined in **Exhibit D**. The rent reduction shall only be implemented if Lessee continues to provide the agreed upon services at the agreed upon costs listed in **Exhibit D**. Rent may be eliminated completely if Rent Reduction is equal to or greater than total rent due each year. No credits may be carried over to the following year for a Rent Reduction and services must be offered in the year the Rent Reduction is implemented.

ARTICLE 5. TERMINATION. The Lessor, at any time during the Term, is permitted to terminate this Agreement without cause by giving Lessee **ninety (90) days'** written notice. Lessee, at any time during the Term, is permitted to terminate this Agreement with cause by giving Lessor **ninety (90) days'** prior written notice. However, in the case of an emergency as determined solely by the Lessor, this lease may be temporarily suspended or terminated immediately upon written notice to Lessee.

An "**Emergency**" is defined under this Agreement as **(i)** when it is necessary for the Lessor to immediately possess the Premises to protect or preserve the Premises, **or (ii)** when it is necessary for the Lessor to immediately possess the Premises to protect the public health, peace, property, safety, and welfare of the Premises, and **(a)** the public health, peace, property, safety, maintenance, and welfare would be substantially and materially harmed by Lessee's continued use of the Premises to operate the Program for the **ninety (90) days'** notice of termination period agreed between the Parties.

with respect to work or services claimed to have been performed for or materials claimed to have been furnished to Lessee or the Premises. In case of any lien(s) or encumbrance attaching or notice of any lien or encumbrance, Lessee covenants and agrees to cause the lien(s) to be immediately released and removed of record or post a bond in form and substance satisfactory to the Lessor. Notwithstanding anything in this Agreement to the contrary, in the event that the lien(s) is not bonded off, released, and removed on or before the date occurring thirty (30) days after notice of the lien is delivered by the Lessor to Lessee, the Lessor, at its sole option, may immediately take all action necessary to release and remove the lien(s), without any duty to investigate the validity of the lien(s), and all sums, costs and expenses, incurred by the Lessor in connection with such lien shall be deemed additional rent under this Agreement, which will be required to be immediately due and payable by Lessee.

9.2. **Taxes.** Lessee acknowledges the Premises is currently exempt from real estate property taxes. If during the Term the Premises or any other portion of O'Shaughnessy Reservoir Park becomes subject to any real estate taxes or other assessments as a result of this Agreement, Lessee is required to (i) be exclusively responsible for all real estate property taxes, including any survey work necessary to determine the taxable portion of the property and (ii) promptly pay in full when due all property taxes, assessments, charges, or fees levied against the Premises or O'Shaughnessy Reservoir Park.

ARTICLE 10. ALTERATIONS & IMPROVEMENTS.

10.1. **Lessor's Consent.** Lessee is prohibited from making any alterations, additions, or improvements to the Premises (including but not limited to any penetration of the building structure or any change that affects the building plumbing, electrical, or HVAC systems) without the Lessor's prior, written consent, which may be withheld at the Lessor's sole and absolute discretion. Any Lessor-approved alterations, additions, or improvements are required to be completed within a reasonable period of time and in a sound and workmanlike manner according to all applicable building and safety codes and complying with all applicable LEED requirements. At such time as Lessee ceases its use of the Premises, the fixtures that are severable from the Premises without material damage to the Premises are permitted to be removed by Lessee, provided it repairs any damage caused by the removal of those severable fixtures.

10.2. **Prevailing Wage.** Lessee agrees that prevailing wage rates will be paid, if applicable, for any new construction, improvements, or maintenance to the Premises pursuant to the Columbus City Code and the Ohio Revised Code, and the limits, guidelines, and regulations set forth by the director of the State of Ohio, Department of Commerce.

10.3. **Bonded Performance.** Lessee and its contractor(s) and subcontractor(s) performing any City-approved capital improvements at the Premises are required to be fully bonded and insured regarding the contractor(s) or subcontractor(s) scope of work naming Lessor as an additional insured or obligee, or both. However, if Lessee is undertaking City-approved capital improvements only through volunteer labor, this provision may be waived at the sole discretion of the City. Any such waiver shall be in writing and secured by Lessee prior to the start of any improvements.

ARTICLE 11. INDEMNIFICATION & WAIVER. The Lessor and its officials, agents, servants, employees, and independent contractors (collectively, “**Lessor-Parties**”) shall not be liable for any damage either to person or property or resulting from the loss of use, which damage is sustained by Lessee or by other person(s) claiming through Lessee, unless the damage is the direct result of the negligence or willful misconduct of the Lessor or any of the Lessor-Parties. Lessee agrees to indemnify, defend, protect, hold, and save the Lessor and Lessor-Parties harmless from any and all loss, cost, damage, expense, injury, suit, and liability (including without limitation court costs and reasonable attorneys' fees) incurred in connection or arising from any causes in, on, or about the Premises or operation of the Program or any acts, omissions, or negligence of Lessee or of any person(s) claiming by, through, or under Lessee, its partners, and their respective officers, directors, beneficiaries, agents, servants, employees, and independent contractors (collectively, “**Lessee-Parties**”), in, on or about the Premises, either prior to, during, or after the expiration of the Term, provided that the terms of the foregoing indemnity do not apply to the negligence or willful misconduct of the Lessor. Further, Lessee’s indemnification of the Lessor pursuant to this article (i) is not intended and shall not relieve any insurance carrier of its obligations under policies required to be carried by Lessee pursuant to the provision of this Agreement to the extent the policies cover the matters subject to Lessee indemnification obligations, and (ii) nor shall it supersede any inconsistent agreement of the Parties set forth in any other provision of this Agreement. The provisions of this article are required to survive the expiration or termination of this Agreement with respect to any claims or liability occurring prior to the expiration or termination.

ARTICLE 12 INSURANCE.

12.1. **Commercial General Liability.** Lessee, at its sole cost and expense for the Term, is required to carry and maintain commercial general liability (CGL) insurance with admitted insurers authorized to do business in the state of Ohio, insuring against liability for personal injury, bodily injury to or death of persons, and loss or damage to property pursuant to the Premises and Personal Property occurring in, on, and about the Premises, with coverage limits of at least **Two Million and 00/100 U.S. Dollars (\$2,000,000.00) per occurrence and Four Million and 00/100 U.S. Dollars (\$4,000,000.00) in the aggregate.** Lessee is required to name the Lessor as an additional insured by an endorsement and include a contractual liability endorsement evidencing coverage of Lessee’s obligation to indemnify the Lessor pursuant to this Agreement.

The Lessor, upon timely notice to Lessee, reserves the rights to require an increase in the above limits of this subsection to reflect prevailing commercial practices.

12.2. **Casualty Insurance.** Lessee, at its sole cost and expense for the Term of this Agreement, is required to carry and maintain casualty insurance with admitted insurers authorized to do business in the state of Ohio, covering Lessee’s personal property against loss or damage by fire, vandalism, malicious mischief, or other insurable casualty, in an amount not less than its full replacement cost.

12.3. **Workers’ Compensation Coverage.** Lessee is required to carry and maintain at all times such Workers’ Compensation insurance as to comply with the laws and regulations of the state of Ohio and provide Lessor with a certificate evidencing that the coverage is in full

force and effect. Lessee acknowledges that any and all injuries or claimed injuries to Lessee's employees shall be regarded as a workers' compensation matter to be adjusted through the Ohio workers' compensation system, and in the event the employee shall claim that his or her injury is of a nature allowing pursuit of a claim in addition to or in lieu of a workers' compensation claim, the matter shall be handled by Lessee solely as an employer/employee matter, without the involvement of the Lessor and Lessee is required to indemnify, defend, hold, and save Lessor harmless from any and all claims under this subsection.

12.4. **Restrictions & Proof.** The minimum limits of policies of insurance required of Lessee under this Agreement are prohibited from limiting the liability of Lessee under this Agreement. Lessee's insurances under this Agreement are (i) prohibited from containing provisions relieving the insurer thereunder of liability for any loss by reason of the existence of other policies of insurance covering the Premises against the peril involved regardless of collectability, (ii) prohibited from being invalidated by any act or neglect of the Parties or any owner of the Premises, (iii) required to name the Lessor as an additional insured so long as this Agreement, any renewal, or holdover, is in effect, (iv) required to specifically cover the liability assumed by Lessee under this Agreement, including but not limited to Lessee's obligations under this Agreement, (v) required to be issued by an insurance company having a rating of not less than A-X in Best's Insurance Guide or which is otherwise acceptable to Lessor and Lessee to do business in the state of Ohio, and (vi) required to provide that the insurance is prohibited from being canceled, suspended, or coverage changed unless thirty (30) days prior written notice of the cancellation, suspension, or change is given to Lessor. Lessee is required to deliver all insurance policy(ies) or duplicates required under this Agreement to Lessor on or before the Commencement Date and annually at least thirty (30) days before the expiration dates in each Lease Year. If at any time during the lease term Lessee modifies any insurance coverage, Lessee is required to provide an updated policy(ies) to Lessor immediately.

ARTICLE 13. DESTRUCTION OR DAMAGE; EMINENT DOMAIN. If any portion of the Premises is (i) destroyed or damaged by fire or other casualty so as to render it unusable, or (ii) is taken under the threat of or by the exercise of eminent domain, then Lessor possesses the exclusive right to all insurance funds or just compensation, or both, payable for the Premises and its associated land, structures, improvements, and appurtenances.

ARTICLE 14. ASSIGNMENT & SUBLETTING. Lessee is strictly prohibited from (a) subleasing, assigning, licensing, or otherwise transferring any portion of the Premises or any of Lessee's interests in this Agreement, or (b) permitting the Premises' use by any parties other than Lessee and its principals and employees.
