

Alfred Berthold, Executive Director

Al is a 1968 graduate of The Ohio State University with a Masters of Architecture. He has lived in Columbus since graduation. His undergraduate degree is from Texas Tech University (B. Arch). Al is a licensed architect in Ohio, South Carolina and Georgia and holds a NCARB certificate. He is a member of the A.I.A. and the Victorian Village Commission. He is a past Board President of the Vellore Christian Medical Hospital NYC in Tamil Nado, India. Al is also Chair of the Community Arts Fund for The Columbus Foundation. Al's career has been in the practice of architecture with Kenneth Bentsen Associates, Schooley Caldwell, NBBJ, and just prior to joining the Neighborhood Design Center he was in private practice as a sole proprietor. His work includes residential/resort, commercial/retail and health care. His projects include condominiums on the South Carolina coast, retail centers in the mid west, a mental health center and a medical office building associated with Nationwide Children's Hospital in Columbus, Ohio and a vertical expansion of Kosair Children's Hospital in Louisville, Kentucky. His international work includes projects planned and designed in Mexico, Chile, Taiwan and India. Al's responsibilities as Executive Director include marketing, project management, fiscal responsibility, and mentoring.
