Columbus, OH 43214

## **Profile**

I have lived in the Clintonville Area Commission for 32 years. I strongly feel that the CAC is tasked with helping residents view changes through the lens of common good for the community rather than how a change may impact them personally. I desire that Clintonville continues its reputation of inclusivity, openness to innovation, safety for residents, and the ability to reach compromises that productively impact the common good.

## **Experience**

**Ohio Bankers League, *Products & Services Manager***

February 2003 – Present

## **Education**

**Goshen College**

## **Memberships and Affiliations**

None
