SECOND SUPPLEMENTAL LEASE

THIS SECOND SUPPLEMENTAL LEASE is made and entered into as of August 1, 2005, by and between THE RIVERSOUTH AUTHORITY, a body corporate and politic duly created and existing under and by virtue of Chapter 349 of the Ohio Revised Code (the "Authority"), and the CITY OF COLUMBUS, an existing municipal corporation duly incorporated pursuant to the Constitution and laws of the State of Ohio and its Charter (the "City").

WITNESSETH:

WHEREAS, the Authority and the City have entered into a Master Lease Agreement dated as of June 1, 2004 (the "Master Lease"), under which Supplemental Leases are provided for and contemplated for the purposes set forth herein; and

WHEREAS, pursuant thereto and in accordance with the Master Lease, the Authority and the City have determined to enter into this Second Supplemental Lease (the "Second Supplemental Lease" and together with the Master Lease and any amendments and supplements thereto or hereto, the "Lease").

NOW, THEREFORE, in consideration of the promises and mutual covenants herein set forth and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Section 1. Definitions. All words and terms which are defined in Section 1.01 of the Master Lease or the Trust Agreement, as defined in the Master Lease, shall have the same meanings in this Second Supplemental Lease as they are given in the Master Lease or the Trust Agreement unless otherwise herein provided or unless the context or use clearly indicates another or different meaning or intent.

Section 2. The Projects. The Projects which are the subject of this Second Supplemental Lease are described in Exhibit A (which is attached hereto and made a part hereof); provided, however, that it is acknowledged and agreed by the parties hereto that the Projects to be financed at least in part from the proceeds of the Series 2005 A Bonds referred to in Section 3 hereof may be changed from time to time to Projects of different scope or kind but only as permitted by Section 6 hereof subject to approval by the City authorized by a duly enacted ordinance or resolution of City Council; and provided further, that the Projects shall nevertheless always be Capital Facilities for which the Authority may issue Bonds. Notwithstanding any other provision of this Second Supplemental Lease to the contrary, no funds shall be released for the Projects described in Exhibit A without the written consent of the City until the Developer has entered into a lease agreement with the Ohio Department of Jobs and Family Services for approximately 275,000 square feet of office space located in the former Lazarus building. Such Projects, as they may from time to time be changed, are included under this Second Supplemental Lease without necessity for amendment hereof or of Exhibit A hereto, and no change in or substitution for the Projects identified in Exhibit A hereto shall result in any diminution of or otherwise offset to the obligation of the City to make rental payments pursuant to the Lease.

Section 3. The Series 2005 A Bonds. For the purpose of paying a portion of the Project costs, the Authority proposes to issue Bonds described as follows:

- Designation: RiverSouth Authority Redevelopment Bonds, 2005 Series A (the "Series 2005 A Bonds")
- Aggregate Principal Amount: Not to exceed \$46,500,000, with not to exceed \$40,000,000 for Project Costs and the balance for capitalized interest and financing costs
- Dated Date: Date of issuance
- Interest Payment Dates: June 1 and December 1 in each year commencing December 1, 2005, but with the City's lease rental payments not commencing until after November 21, 2008 in connection with the December 1, 2008 Interest Payment Date
- Maturities: The Series 2005 A Bonds will mature on December 1 in the years commencing in 2010 and ending in 2025 as provided in the Series 2005 A Resolution.

The Series 2005 A Bonds shall be issued by the Authority in accordance with the Act.

Section 4. Rental. Subject to the provisions of Section 4.01 of the Master Lease, the rentals payable under this Second Supplemental Lease shall be the aggregate of the following amounts, to be credited to the respective Special Funds and Accounts in the amounts and at the times stated below:

Section 5. Renewal Terms. The City has the right to renew the term of the Lease for successive terms until the Authority shall have paid and retired, or shall have made due and adequate provision for the payment and retirement of all Obligations issued by the Authority to finance Project costs and shall have paid all Obligations of the Authority.

Section 6. Amendments. Subject to the terms of the Master Lease, this Second Supplemental Lease, including Exhibit A attached hereto, may be modified or amended from time to time, by mutual consent of the Authority and the City to better provide for the purposes hereof. This Second Supplemental Lease, including Exhibit A, may be amended or superseded by an amendatory or superseding Supplemental Lease or Exhibit A at any time to better identify the Projects or to better identify the Series 2005 A Bonds provided for in Section 3 hereof, or Obligations issued to refund such Series 2005 A Bonds, and shall be so amended or superseded upon the request of either the Authority or the City.

Section 7. Grant of Rights in Project Site to Authority. The City hereby leases, grants, demises and conveys to the Authority any and all rights of the City in and to the real estate under its control upon which the Projects are located as are necessary and appropriate during the term of this Second Supplemental Lease for the acquisition, construction, reconstruction, rehabilitation, remodeling, renovation, enlarging, otherwise improving, furnishing, equipping and operation thereon, as the case may be, of the Capital Facilities comprising the Projects.

Section 8. General. This Second Supplemental Lease shall be deemed to be a part of the Lease.

Section 9. Representations and Covenants. The City represents that it has taken and caused to be taken, and covenants that it will take and cause to be taken, all actions that may be required of it, alone or in conjunction with the Authority, for the interest on the Series 2005 A Bonds to be and remain excluded from gross income for federal income tax purposes and from treatment as an item of tax preference for purposes of alternative minimum tax imposed on individuals and corporations under the Code. The City represents that it has not taken or permitted to be taken on its behalf, and covenants that it will not take or permit to be taken on its behalf, any actions that would adversely affect those exclusions under the provisions of the Code.

The Authority covenants that it will take, or require to be taken, all actions that may be required of the Authority for the interest on the Series 2005 A Bonds to be and remain excluded from gross income for federal income tax purposes and from treatment as an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations under the Code. It will not take or authorize to be taken any actions that would adversely affect those exclusions under the provisions of the Code.

Section 10. Counterparts. This Second Supplemental Lease may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 11. Governing Law. This Second Supplemental Lease is and shall be deemed to be a contract made under the laws of the State and for all purposes shall be governed by and construed in accordance with the laws of the State.

Section 12. Insurance. The Authority acknowledges and reaffirms its obligation to keep or cause to be kept insurance coverage as more specifically set forth in Section 12 of the First Supplemental Lease dated as of June 1, 2004 by and between the Authority and the City.
