Dear Mr. Freeman:

Thank you for your interest in Streamline Health ("STRM") Vital Statistics ("CVS") application hosting services. The City is a current Streamline Health customer, where we host standard STRM software as well as a custom Vital View application. Our company is the only source of hosting services for the applications utilized by the City. The City would not be able to procure these services from STRM service partners or other hosting service providers.

If you have further questions regarding this matter, I can be reached at 513.794.3603 or via email at trish.wharton@streamlinehealth.net.

Best regards,

Trish Wharton
