

Background on Don H. Thompson . . .

My wife, Susan, and I moved here in June-2012 from Middletown, Ohio. After we both retired, we decided to 'down-size' and relocate in the Columbus area to be closer to children and grand-children. We sold our home and feel fortunate to have found our new home in the Highland Meadows Condominium Community.

We were both born and raised in Miami County in Southwestern Ohio.

After High School Graduation in 1959, I became a Co-Op Student at General Motors Institute (now Kettering University) in Flint, Michigan, and began my working career at the Frigidaire Division of General Motors in Dayton, Ohio.

I graduated from GMI with an Industrial Engineering Degree and had the opportunity to work in a variety of engineering and management positions at both General Motors and EDS (Electronic Data Systems). I retired in 1999. I will be 79 in September-2020.

During the late 1960's and early 1970's, I was privileged to serve on the West Milton (Pop: 5,000) Village Council in Miami County, Ohio. I served as Mayor for (4) two-year terms and then served (2) terms on the Milton-Union School Board.

A handwritten signature in black ink, appearing to read "Don H. Thompson", is written over a solid horizontal line.
