The status, Majority, MBE or FBE, of all companies bidding, or submitting an RFP or RFSQ

1 MAJ, 1 FBE

A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.

This contract will provide the City of Columbus, Division of Power and Water with the authority to purchase polymer as a coagulant aide for potable water at the Hap Cremean Water Plant.

A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.

The proposed contract can potentially purchase (but not to exceed) sixty four (64) tons of the specified polymer, depending on the duration of this disinfection byproduct master plan project.

An estimate of the full estimated cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.

\$104,832.00
