TO ACCOMPANY LEGISLATION WHICH WAIVES ANY PROVISIONS OF COLUMBUS CITY CODES CHAPTER 329
(PLEASE LIMIT YOUR RESPONSE TO THIS SHEET)

-
1. Verification of sole source:
(Why no other individual or business is capable of supplying the needed item)

- sole manufacturer/distributor
- sole company offering this unique service (manufacturer's warranty/product support)
- other _____

-
2. Describe efforts to determine that the company was a sole source:

No attempt was made due to migrating to a different database such as Microsoft SQL Server would be cost prohibitive and could create operational problems with CourtView 2000. Further it could create problems with the Clerk's ability to network with the City-wide system which is also Oracle driven.

-
3. Describe any effort to bid for alternate item (service or product) that is not provided by a sole source that would meet this need:

Only Oracle Corporation is in a position to offer deep discounts and credits for previously purchased licenses. Resellers would be obligated to purchase at list price and resell at a cost to include overhead.

-
4. Indicate how the price or fee structure was determined:

The basis of our costs started with the list pricing on State Term Schedule STS539240-0. Discounts and credits were then negotiated with their local representative.
