Dear Terri,

Please accept this letter as verification that Advantech Service and Parts LLC is E-One's Authorized Dealer in the State of Ohio, and therefore, also for the City of Columbus. They are authorized to sell E-One apparatus, parts, and to perform all warranty work.

We thank you for the opportunity to do business with the City of Columbus, and look forward to serving your needs.

Respectfully,

Dear Terri,

As Advantech Service and Parts LLC is the only Authorized Dealer in Ohio for Emergency One apparatus and parts, and is also the only "authorized" facility to perform E-One warranty repairs, we feel we fit your sole source provider criteria.

If you have any questions, or if we can be of further service, please feel free to contact us.

Sincerely,

Tom Abel  
President
