Dear Dr. Roberts,

Project No. 02520011RH1021

The Ohio Department of Health has completed a review of funding for the Reproductive Health and Wellness Program (RHWP). As a result of the review, additional funds will be available for your agency for the remainder of the grant year.

Your agency is eligible to receive \$69,000 in additional RHWP funds. The **additional** funds must support services provided under the following Deliverable(s) through March 31, 2021:

- Deliverable #2 - \$24,000
- Deliverable #6 - \$45,000

Your agency must submit a budget revision based on \$969,000. Your revised budget revision must reflect the revised deliverable amounts for the following deliverables:

- Deliverable #2 - \$198,000
- Deliverable #6 - \$45,000

Your budget must be submitted no later than July 6, 2020 via the (Internet) Grants Management Information System (GMIS) and in accordance with ODH Grants Administration Policies and Procedures (GAPP), or your agency may lose its opportunity for these additional funds. **Please note that failure to meet the budget revision deadline will result in loss of these funds. No appeals will be accepted.**

Your agency will receive a revised Notice of Award after the budget revision is approved by ODH. Since this budget revision is required by ODH to adjust your grant award, it will not count against the number of budget revisions available this fiscal year.

If you have any questions, please contact your RHWP Consultant, Katherine Dean at 614-995-7075 or Katherine.Dean@odh.ohio.gov or Michelle Clark at Michelle.Clark@odh.ohio.gov or 614-728-0774.
Sincerely,

Michelle Clark
