

BIO

Please provide the answers to these questions. If you have a resumé or another bio, please attach it to this document.

-How long have you lived in the neighborhood?

I've lived in Fairmoor since April 2020.

-What interests you about getting involved with your Area Commission?

As a homeowner, I have enjoyed getting to know my neighbors and would like to be more involved in my community. I'm interested in connecting my Fairmoor community w/ any resources/services they may need, and to learn about zoning for businesses.

-Are you employed? If so, in what field and with what employer?

Yes. I work at the Research Institute at Nationwide Children's Hospital. I'm a Sponsored Project Officer assisting researchers to seek, submit and manage their sponsored projects to cure childhood diseases and meet researcher milestones towards that aim or for the goal to improve outcomes for children.

-Do you serve on any boards, committees, or other community or business associations? If so, please list them.

No. This is my first opportunity to volunteer.
