Lori,

Please proceed. The Department of Public Utilities, Division of Water recommends an award to the lowest responsive and responsible and best bidder Agilent Technologies, Inc. in the amount of \$119,916.83.

Thank you,
Rod

Good morning, attached is the response from the sole bidder, Agilent Technologies, for the above mentioned bid. They appear responsive, except there is a term on their quotation form limiting their bid for a period of 60 days. I will need them to waive if you would like to proceed. Please advise.
