**2. Describe any effort to bid for alternate item (service or product) that is not provided by a sole source that would meet this need:**

Preliminary research on products that provide the same service as the Facil software suggests that alternative software packages would cost far more than the \$250 per year cost of Facil. Consequently, no effort to bid for an alternate item has been conducted.

---

**3. Describe efforts to determine/verify that the company is the sole source:**

Becker software was contacted to determine if resellers provide maintenance and support for Facil. The vendor is a sole proprietor, so does not use resellers for its software products. Confirmed through a web search, verifying that Becker software is the only advertised vendor providing Facil software and support.

---

**4. Indicate how the price or fee structure was determined:**

The vendor provided a price quote for annual maintenance and support.
