Pam:

I reviewed Ord# 3067-2018 and noticed that the dollar amount is listed at 56,821.62. The supplier's total bid was this amount because he included sales tax on his initial quote. He submitted a revised quote excluding the tax (quote attached to my email dated 10/29). The new total amount is \$52,925.00 (which includes trade-in discounts). Please update the ordinance with this amount.

Thanks,
