

November 16, 2017

Mr. Kelly W. Reagan
City of Columbus Fleet Administrator
4211 Groves Rd.
Columbus, Ohio 43232

Gentlemen,

Horton Emergency Vehicles Company, a company based in Grove City, Ohio, hereby proposes and agrees to furnish to you the following Emergency Medical Vehicle upon your acceptance of this proposal:

Horton 623 Type 1 aluminum body conversions, mounted on a 2018 Ford F-550 4x2 chassis, delivered in accordance with the Ohio STS Pricing Schedule and Selected Features List #12081 which we hereby make part of our proposal, complete and delivered for the sum of **\$285,973.00 each**, due on completion and delivery of unit.

Total cost of vehicle: \$285,973.00 each x (4) \$1,143,892.00

Due to the scarce availability of component parts, and in spite of spiraling costs, we will stand behind our contract price.

The new Emergency Medical Vehicle conversion shall be delivered within approximately 175 days after receipt of contract and chassis at Horton Emergency Vehicles Company, barring any delays due to strikes, chassis availability or availability of component parts or Acts of God.

Respectfully submitted,

Horton Emergency Vehicles Company
3800 McDowell Road
Grove City, Ohio 43123

Proposal Accepted By: _____

Title: _____

Date: _____

State of Ohio Registration Number: _____

Customer Purchase Order Number #1: _____

Customer Purchase Order Number #2: _____

CONTRACT EXPLANATION

The State of Ohio Term Schedule requires Horton to breakout the base pricing and option pricing as submitted to the State of Ohio. Any required features that were not quoted to the State need to be separated out of the proposal and itemized. The result of this is that two separate purchase orders need to be issued for the purchase of the vehicle. They are as follows:

Purchase Order #1: Overall price total as quoted to the State of Ohio under the STS program

Purchase Order #2: Itemized price total for options and features not quoted to the State of Ohio under the STS program

As noted in the STS order form the purchase orders that need to be issued per the price breakdown are as follows:

Purchase Order #1 (with STS Pricing):	\$240,236.81
Purchase Order #2 (without STS Pricing):	\$45,736.19
Overall Total Each:	\$285,973.00
Total cost per vehicle: \$285,973.00 x (4)	\$1,143,892.00

Purchase Order #1 needs to include the **6 digit State of Ohio ID number** that has been issued to this purchaser showing that they are a member of this purchase plan.

(2018 FORD F-550)
