March 22, 2011

Bus Service Inc. hereby confirms that we can hold the pricing for additional vehicles procured for the following bids:

**Bid# SA003610 – Gasoline Powered Van Chassis with Mini-Bus Body**

**\$41,900.00 for an additional vehicle(s) meeting all of the specifications rendered in the bid plus the following upgraded items if purchase order is issued.**

- 1- Seat Material upgraded to Level 4. Previous vehicle required Level 1 material.**
- 2- Center Ceiling Stripe running down back wall matches Level 4 seat material.**
- 3- Modesty panels, transition panels, and wire bars will be wrapped in matching Level 4 seat material.**
- 4- Co-pilot seat provided where briefcase area was on original build. Bus Service can provide a briefcase rack as the original specification and build called for if required. Gives option of seating one more passenger.**

**Bid# SA003679 – Mini-Bus with ADA Wheelchair Access**

**\$45,199.00 for an additional vehicle(s) meeting all specifications rendered in the bid. This vehicle will be procured exactly the same as the original specifications called for in the bid if purchase order is issued.**
