21171, 1999 Chevrolet pickup with 121,035 miles was totaled in an accident. We are requesting approval to replace this unit with a 2011 Ford Transit Connect off UTC contract. This will be a downsize in the unit and result in increased fuel economy. Thanks

Ricart Ford  
Base \$20,992  
Rear Door Option \$199  
Light Bar Option \$1985
