\*Please note ORD 0550-2013 that vendor #314271000 was used. On 4/21/12 the PUCO approved AEP Ohio's Electric Security Plan which authorized the merging of its two operation companies, Columbus Southern Power and Ohio Power with the Ohio Power Company, the surviving entity. With the merger, Columbus Southern Power's contractual obligations were assigned to Ohio Power Company. By this legislation, Columbus consents to the assignment of the Agreement for Joint Use of Poles by Columbus Southern Power to Ohio Power Company.
