Scope of Work

- CJS will provide project management services to schedule and coordinate CJS work.
- CourtView ECMS Adapter
The CJS scope of work for the installation and configuration of the CourtView ECMS Adapter is limited to the installation and configuration in one (1) non-production and one (1) production environment in a production ready state per the applicable CourtView ECMS Adapter product specifications. It is solely the responsibility of the Customer and any third party document management (imaging) system provider to install and test the document management (imaging) system and that system's ability to utilize the CourtView ECMS adapter and to integrate with CourtView.

Notes

- Quotation must be signed and returned with a purchase order for activation of license(s), maintenance and scheduling of the project work.
- Delivery will be scheduled for the first available date at which CJS and Customer resources are jointly available. Should rescheduling be necessitated for any reason, the next available date at which CJS and Customer resources are both available will be scheduled.
- Professional Services quoted are at a firm fixed price, but extent of services is limited to the hours indicated in Item 3.2. Actual effort, costs and expenses may be less than or greater than those estimated. Customer shall have no obligation to pay CJS more than the estimated price. CJS shall have no obligation to provide labor or incur costs or expenses having a combined value more than the quoted price, even if the services have not been completed or the deliverables delivered, or the results expected by the customer have not been achieved. The parties may by mutual, written agreement, increase the quoted price. Changes in scope will require a change order to increase the firm fixed price based upon the additional level of effort required.
- Customer will make available all resources requested by CJS for assistance.
- Delays caused by Customer site or configuration issues may require rescheduling and/or Change Order for additional services and related
- If project is cancelled prior to completion, all effort and travel-related costs expended through the date of cancellation will be due and payable.
- CJS will invoice for Professional Services as follows:
 - Project Management will be invoiced at the end of the first month in which project management services are provided.
 - Technical Services will be invoiced at the end of the first month in which installation or configuration services are provided.
- CJS will invoice for License(s) and Software Maintenance as follows:
 - License Fee will be invoiced upon execution of the quotation
 - Support and Maintenance is invoiced upon execution of the quotation
- First Year Support and Maintenance will begin upon execution of the quotation.
- CJS will invoice for prorated maintenance for the current maintenance year at 1/12th of the annual maintenance fee shown on the "Net Software Maintenance" line for each month of Maintenance and Support provided prior to the conclusion of the current maintenance year.
- Except as expressly modified here, License(s) are subject to the terms and conditions of the active license agreement
- The license(s) are limited for use during the term of, and coterminate with, the Customer's active CourtView support agreement.
- Except as expressly modified here, Support and Maintenance is subject to the terms and conditions of the active support agreement
- All services are to be provided remotely. Should travel be requested or deemed to be required, a separate Change Order for estimated travel costs and travel time will be provided.
- Payment term is net 30 days from invoice date.
- Customer is responsible for the host environment including all required licenses, SSL certificates, hardware, network and third party software components and configuration.
