Date: 03/12/26

To Whom It May Concern:

This certified statement is provided on behalf of F&F Industrial Equipment Corp., a New York corporation.

Pursuant to Ohio Revised Code Chapter 1703.02, foreign corporations are not required to obtain a license to transact business in Ohio if their activities in the state are limited solely to engaging in interstate commerce.

F&F Industrial Equipment Corp.'s business activities in Ohio are strictly limited to the sale of goods via interstate commerce. All orders are initiated remotely through telephone and email correspondence, and all products are shipped from outside to Ohio customers via common carrier. The Company does not maintain any offices, warehouses, inventory, employees, agents, or other physical presence within the State of Ohio.

Accordingly, F&F Industrial Equipment Corp. is engaged solely in interstate commerce in Ohio and is exempt from the foreign corporation licensing requirements set forth in Ohio Revised Code Chapter 1703.02.
