

Information to be included in all Legislation authorizing entering into a Contract:

1. **The names, contract compliance no., location by City/State and status of all companies submitting a competitive bid or submitting an RFP or RFSQ.**

<u>Name</u>	<u>C.C. No.</u>	<u>City/State</u>	<u>Maj/MBE/FBE</u>
Corrosive Probe, Inc.	061123092	Centerbrook, CT	MAJ

* The competitive bidding procedure was waived

2. **Complete address, contact name and phone number for the successful bidder only.**

Corrosion Probe, Inc.
12 Industrial Park Rd.
PO BOX 178
Centerbrook, CT 06409

3. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**

The purpose of this legislation is to authorize the Director of Public Utilities to enter into an agreement with Corrosion Probe Inc. to provide Quality Control Inspection Services for Improvements to Existing Linabond Lining System in the Big Walnut Augmentation Rickenbacker Interceptor (BWARI) for the Department of Public Utilities.

The agreement will provide the Department of Public Utilities with a complete analysis and recommendations in regards to the improvements necessary to place the tunnel in full service. The company will conduct thorough inspections of the tunnel for the Department of Public Utilities and will prepare recommendations for the department.

4. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

The work on this project is to start immediately and is scheduled to be completed within a two month time frame.

5. **An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

No other future contract modifications are foreseen. Therefore, the estimated full cost of the contract is only \$200,000.00

6. **Sub-Consultants identified to work on this contract:**

No sub-consultants are being used on this project.

Note: The Contract should be considered to include any and all work that is anticipated to be awarded to the company awarded the original contract throughout the contract/project timeline. This includes the original contract and any and all future anticipated modifications to the contract to complete the contract/project.
