Membership Dues

NACWA Members include Public Wastewater Agencies, Conveyance Systems, and Stormwater Management Agencies as well as Corporate, Legal and Supporting Affiliates. Membership is organizational, allowing all key staff at an organization to participate in the Association.

If you have specific questions regarding membership or the value it provides, please email or call [Kelly Brocato](#), Senior Director of Membership Development at 202.833.1449.

Dues Categories

Publicly Owned Treatment Agencies

Publicly Owned Treatment Agency dues are based on service area population. This dues category includes public agencies with responsibility for wastewater treatment services only, or wastewater treatment and drinking water services, collection, reclaimed water, and/or municipal stormwater. For purposes of membership: the Publicly Owned Treatment Agency is considered to be part of the Public Agency Member Type.
