Joe VonVille
Director of the Department of Technology/Dept of Public Safety
City of Columbus, OH/ Division of Police
Columbus, OH

Subject: Sole Source Letter for the Time and Attendance System (LIONS) and associated Mobile Application from Orion Communications.
The Division of Police uses this system for the processing of timesheet information, leave and overtime request, personnel data and scheduling, and reporting. Original contract (EL014869)

Mr. J. VonVille,

Orion Communications, Inc. is the sole source provider for the application software marketed as AgencyWeb IWM Workforce Management Solution and associated Mobile Application and all associated modules including Maintenance and Support. Orion developed all associated source code for the product, and is the sole distributor of the product and associated enhancements.
