Subject: Year end legislation
Attachments: Altec cable cart.pdf; Byers UTC.pdf; From Byers Chevy Truck Sales10-22-2021-174428.pdf

Good morning Trisha,

I have discussed our 2021 and 2022 buy plans with Brian. We would like to set up legislation for funding from the 2021 buy plan to purchase vehicles for the 2022 buy plan from the Byers UTC contract. I cannot place orders for the vehicles that we are going to purchase currently because Ford's order cut odd date is the 9th. I have received quotes for the current vehicles and have added 10% plus the cost of up-fitting which I am also working on having added to the contract by purchasing. Below is the projected cost and the vehicles that are going to be replaced. I have attached the current UTC contract and the quote from Byers.

OCA #	Section	Manager	Main Account	Item Description	QTY.	Estimated \$ per item	Old BT	Notes
601880	Utility Meter Service	Capan	66520	F250 Cab Chassis w/ Utility body	1	\$ 48,500	24244	Quote from Byers UTC added 10% order bank is closed
601880	Utility Meter Service	Capan	66520	F250 Cab Chassis w/ Utility body	1	\$ 48,500	24245	Quote from Byers UTC added 10% order bank is closed
601880	Utility Meter Service	Capan	66520	F250 Cab Chassis w/ Utility body	1	\$ 48,500	24246	Quote from Byers UTC added 10% order bank is closed
601880	Utility Meter Service	Capan	66520	F250 Cab Chassis w/ Utility body	1	\$ 48,500	24247	Quote from Byers UTC added 10% order bank is closed
601880	Utility Meter Service	Capan	66520	F250 Cab Chassis w/ Utility body	1	\$ 48,500	24248	Quote from Byers UTC added 10% order bank is closed
						\$ 242,500		

I am also working on a bid for a cable cart puller for electric that I would also like to legislate the funding. I am working on the bid. I have a quote from the vendor for the cost and have added 5%. I also have one F-150 that I would like to buy from the light duty vehicle contract. We have not spent any money from this contract with power for this year. I am getting a quote from the dealer for this truck.

Section	Manager	Main Account	Dax string	description	qnty	Legislation amount	BT replaced
SL Field Serv	Dutro	66510	EL002-600706	Cable Puller	1	\$ 211,385.21	16255

Please let me know if you need any other information.
 Thanks
