Summary

Experienced professional in areas of community, economic and workforce development. Key knowledge base and skills in leadership development and strategic planning.

Experience

- **Executive on Loan**
[Affordable Housing Trust for Columbus and Franklin County](#)
July 2015 – Present (10 months)

I am creating a CDFI (Community Development Financial Institution) Fund at the Affordable Housing Trust. A certified Community Development Financial Institution (CDFI) is a specialized financial institution that works in market niches that are underserved by traditional financial institutions. To learn more about CDFIs, check out <https://www.cdfifund.gov>. The CDFI Fund will allow the AHT to attract additional capital for lending in the distressed neighborhoods of Columbus and Franklin County.

Adjunct Faculty

[The Ohio State University, John Glenn College of Public Affairs](#)
January 2014 – Present (2 years 4 months)

PA 6000, Public Policy Formulation and Implementation (together with Paolo DeMaria)
PA 6050 Public Management (together with Paolo DeMaria)
PA 6060 Managing Human Resources in Public Organizations

Director of Community Development

[Ohio Capital Corporation for Housing](#)
2011 – June 2015 (4 years)

Ohio Department of Development

December 1997 – March 2000 (2 years 4 months)

Ms. Patt-McDaniel managed a staff of twenty professionals and an annual budget of \$20m + used for negotiating and closing economic development incentive packages for companies locating or expanding in the state of Ohio.

- **Economic Development Coordinator, Housing and Community Partnerships**

Ohio Department of Development

December 1993 – December 1997 (4 years 1 month)

Managed \$9 million annually in Community Development Block Grant Funds set aside for economic development loans and infrastructure grants that supported job creation and retention.

- **Field Representative, Downtown Coordinator, Local Government Services**

Ohio Department of Development

May 1990 – December 1993 (3 years 8 months)

Worked in the southeastern Appalachian Region with counties and communities to design and implement projects funded with Community Development Block Grant Funds. Also, as an additional duty, managed the Ohio Downtown Grant program and worked with communities across the state of Ohio.
