- 5. A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**

The purpose of this project is to provide the McCutcheon Road area with overhead street lighting as per the requests of the residents.

- 6. A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

The duration of the design phase for this project is approximately 7 months. This timeline includes minimal engineering services during the construction phase of the project. Part of the Engineer's scope of work is to provide record drawings after the construction of this project. Therefore the contract completion date cannot be determined at this time.

- 7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

The goal of this project is to respond to public requests for lighting within the McCutcheon Road area. Installing an overhead system will provide street lighting in an area that currently has none.

- 8. An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

\$19,020.11

9. Sub-Consultants identified to work on this contract, their contract compliance no. & expiration date, and their status (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR):

| <u>Name</u> | <u>C.C. No./Exp. Date</u> | <u>Status</u> |
|-------------|---------------------------|---------------|
| NONE | ? | MBE |

10. Scope of work for each subcontractor and their estimate of dollar value to be paid.

Note: The Contract should be considered to include any and all work that is anticipated to be awarded to the company awarded the original contract throughout the contract/project timeline. This includes the original contract and any and all future anticipated modifications to the contract to complete the contract/project.
