Re: Donation of Gym Equipment

To Whom It May Concern:

CME Federal Credit Union was founded in 1935 by the City of Columbus Firefighters with a mission to help provide affordable finance options for fellow firefighters, as well as to give back to the community in which we live and work.

For over 80 years, CME has taken pride in supporting our First Responders. It is with great pleasure that we have chosen to support the City of Columbus Fire Training Academy with the donation of gym equipment to better provide facilities that can improve the training of our firefighters. The attached quote from Rogue for the amount of \$24,598.66 shows an itemization of our equipment donation.

Please let me know if you have further questions regarding our donation. We are excited to be able to help the improvement of the facility for our recruits.

Sincerely,

Crystal Gatchel
