2. This agreement shall commence March 1, 2021 and shall terminate on June 30, 2022, unless extended by a Subgrant Adjustment Notice.
3. The application for this Subgrant submitted by the Recipient Agency to the Office Of Justice Policy and Programs, and the Subgrant Award, are incorporated into this agreement by reference.
4. The Recipient Agency hereby agrees to provide the services and achieve the objectives described in the attached application, and to adhere to all Standard Federal Subgrant Conditions and Special Conditions of the Subgrant Award.

If any action involving the records has been started before the expiration of the three year period, the records must be retained until completion of the action or until the end of the three year period, whichever is later. Implementing Agency must also receive prior written approval of the Office of Justice Policy and Programs Unit and the Franklin County Records Commission prior to the disposal of any Subgrant records, documents, or files.

10. All persons compensated with funds pursuant to this agreement are to be deemed employees or agents of the Recipient Agency. Accordingly, the Recipient Agency shall be responsible for employment related claims.
11. Either party may cancel completely the obligations delineated in this agreement by giving the other party thirty (30) days written notice.

Upon cancellation or termination of this contract pursuant to Paragraphs 11 or 12 of this contract, the Recipient Agency shall be reimbursed only for approved budget expenses that were incurred on or before the date that the notice of cancellation or termination was received by the Implementing Agency. The Recipient Agency shall not be entitled to reimbursement for any expenses incurred after the date that the notice of cancellation or termination is received by the Implementing Agency unless such expenses are first approved by the Office of Justice Policy and Programs in writing. No other amounts shall be paid by the parties as damages under this agreement.

14. Absent breach, cancellation, modification, or termination by either party, this agreement shall be absolutely terminated on June 30, 2022, unless the Sub grant period is changed and approved by a Subgrant Adjustment Notice. Any request for a contract extension must be made in writing by the Recipient Agency to the Office of Justice Policy and Programs at least sixty (60) days prior to the termination date.
15. The Office of Justice Policy and Programs may place the Recipient Agency on probation or suspend Subgrant payments to the Agency if it determines that the funded project is not providing the level of service or achieving the objectives that are described in the approved Subgrant application, or determines that the Agency is not complying with any condition of this contract or any Standard Federal Subgrant Condition or Special Condition of the Subgrant Award, or in violation of any federal, state, or local law.

17. This contract shall be construed, interpreted, and the rights of the parties determined, in accordance with the laws of the State of Ohio. A determination that any part of this agreement is invalid shall not invalidate or impair the force or effect of any other part thereof, except to the extent that such other part is wholly dependent for its operation upon the part so declared invalid.
18. In the event that an authorized governmental agency or its agent having responsibility for conducting an audit of the Subgrant disallows certain costs and requires that a refund be issued, the Recipient Agency shall be responsible for providing the refund amount in full.
19. If the recipient is a private non-profit organization incorporated under the laws of the State of Ohio, the Recipient Agency's governing body (i.e. board of directors) has the ultimate fiscal, policy, and administrative responsibility for the Implementing Agency's programs and staff actions. In all cases, the Fiduciary will view the governing body as the ultimate authority and responsible party.
20. The Recipient Agency shall obtain a blanket fidelity bond in an amount equal to or greater than the federal Subgrant award amount. In addition, the Recipient Agency should obtain bonding coverage for errors and omissions. The requirement to obtain a blanket fidelity bond is applicable to non-profit agencies only unless otherwise specified by the Office of Justice Policy and Programs.
21. The Recipient Agency agrees to participate in a program evaluation process that will be established by the Office of Justice Policy and Programs, and to provide information and data necessary to measure program outcomes.

SPECIAL CONDITIONS

JAG

1. Applicability of Part 200 Uniform Requirements: The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 apply to this 2018 award from the Office of Justice programs (OJP). For this 2017 award, the Part 200 Uniform Requirements, which were first adopted by DOJ on December 26, 2014, supersede, among other things, the provisions of 28 C.F.R. Parts 66 and 70, as well as those of 2 C.F.R. Parts 215, 220, 225 and 230.
2. The recipient acknowledges that failure to submit an acceptable Equal Employment Opportunity Plan (if recipient is required to submit one pursuant to 28 C.F.R. Section 42.302) that is approved by the Office for Civil Rights is a violation of the Standard Assurances executed by the recipient, and may result in suspension of funding until such time as the recipient is in compliance, or termination of the award.
3. The recipient must comply with all applicable requirements of 28 C.F.R. Part 38, Part 42 and Part 54 which relates to civil rights and nondiscrimination on the basis of sex in certain “education programs” and the provision of written notice to program beneficiaries and prospective program beneficiaries. Part 38 of 28 C.F.R., a DOJ regulation, was amended effective May 4, 2016.

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to recipient and subrecipient (“subgrantee”) organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of the regulation, now entitled “Partnerships with Faith-Based and Other Neighborhood Organizations” is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR “current” data.

4. The recipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, without the express prior written approval of the Office of Justice Programs.
5. The recipient, and any subrecipient (subgrantee) at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various “general provision” in the Consolidated Appropriations Act, 2017 are set out at <https://ojp.gov/funding/Explore/FY17AppropriationsRestrictions.htm>, and are incorporated by reference here.
6. The recipient and any sub recipients must promptly refer to the DOJ OIG any credible evidence that a principal, employee, agent, sub recipient, contractor, subcontractor, or other person has – (1) submitted a claim for award funds that violates the False Claims Act or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving award funds. Potential fraud, waste, abuse, or misconduct should be reported to the OIG by – mail: office of the Inspector General U.S. Department of Justice Investigations Division 950 Pennsylvania Avenue, N.W. Room 4706 Washington D.C. 20530 email: oig.hotline@usdoj.gov hotline: (contact information in

English and Spanish): (800) 869-4499 or hotline fax: (202) 616-9881. Additional information is available from the DOJ OIG website at 222.usdoj.gov/oig

7. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or sub recipient under this award, or entity that receives a contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1) In accepting this award, the recipient –

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2) If the recipient does or is authorized to make sub awards or contracts under this award –

a. it represents that --

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a sub award, contract, or subcontract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any sub recipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

8. Recipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of any contract or sub award to either the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries, without the express prior written approval of OJP.

9. The recipient agrees to comply with any additional requirements that may be imposed during the grant performance period if the agency determines that the recipient is a high-risk grantee. Cf. 28 C.F.R. parts 66, 70.
10. The recipient agrees to comply with applicable requirements regarding registration with the System for Award Management (SAM) (or with a successor government-wide system officially designated by OMB and OJP). The recipient also agrees to comply with applicable restrictions on sub awards to first-tier sub recipients that do not acquire and provide a Data Universal Numbering System (DUNS) number. The details of recipient obligations are posted on the Office of Justice Programs web site at <http://www.ojp.gov/funding/sam.htm> (Award condition: Registration with the System for Award Management and Universal Identifier Requirements), and are incorporated by reference here. This special condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).
11. Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), the Department encourages recipients and sub recipients to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this grant, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.
12. The recipient agrees to comply with all applicable laws, regulations, policies, and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences, meetings, trainings, and other events, including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Post award Requirements" in the "2018 DOJ Grants Financial Guide").

The recipient understands and agrees that any training or training materials developed or delivered with funding provided under this award must adhere to the OJP Training Guiding Principles for Grantees and Recipient Agency's, available at <http://www.ojp.usdoj.gov/funding/ojptrainingguidingprinciples.htm>.
13. The recipient agrees that if it currently has an open award of federal funds or if it receives an award of federal funds other than this OJP award, and those award funds have been, are being, or are to be used, in whole or in part, for one or more of the identical cost items for which funds are being provided under this OJP award, the recipient will promptly notify, in writing, the grant manager for this OJP award, and, if so requested by OJP, seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.
14. The recipient understands and agrees that award funds may not be used to discriminate against or denigrate the religious or moral beliefs of students who participate in programs for which financial assistance is provided from those funds, or of the parents or legal guardians of such students.
15. The recipient understands and agrees that - (a) No award funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography, and (b) Nothing in subsection (a) limits the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.
16. A recipient that is eligible under the Part 200 Uniform Requirements to use the "de minimis" indirect cost

rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC).

17. The recipient agrees to comply with OJP grant monitoring guidelines, protocols, and procedures, and to cooperate with BJA and OCFO on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The recipient agrees to provide to BJA and OCFO all documentation necessary to complete monitoring tasks, including documentation related to any sub awards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by BJA and OCFO for providing the requested documents. Failure to cooperate with BJA's/OCFO's grant monitoring activities may result in sanctions affecting the recipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient's access to grant funds; referral to the Office of the Inspector General for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).
18. In order to promote information sharing and enable interoperability among disparate systems across the justice and public safety community, OJP requires the grantee to comply with DOJ's Global Justice Information Sharing Initiative (DOJ's Global) guidelines and recommendations for this particular grant. Grantee shall conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at: http://www.it.ojp.gov/gsp_grantcondition. Grantee shall document planned approaches to information sharing and describe compliance to the GSP and appropriate privacy policy that protects shared information, or provide detailed justification for why an alternative approach is recommended.
19. To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the grantee can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.
20. The recipient agrees that any information technology system funded or supported by OJP funds will comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the recipient may be fined as per 42 U.S.C. 3789g(c)-(d). Recipient may not satisfy such a fine with federal funds.
21. The grantee agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the "Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. Notwithstanding any other special condition of this award, faith-based organizations may, in some circumstances, consider religion as a basis for employment. See http://www.ojp.gov/about/ocr/equal_fbo.htm.

22. Grantee agrees to comply with the requirements of 28 C.F.R. Part 46 and all Office of Justice Programs policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.
23. Grantee agrees to comply with all confidentiality requirements of 42 U.S.C. section 3789g and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. Grantee further agrees, as a condition of grant approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22 and, in particular, section 22.23.
24. The grantee agrees that within 120 days of award acceptance, each current member of a law enforcement task force funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (internet-based) task force training. Additionally, all future task force members are required to complete this training once during the life of this award, or once every four years if multiple awards include this requirement. The training is provided free of charge online through BJA's Center for Task Force Integrity and Leadership (www.ctfli.org). This training addresses task force effectiveness as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. When BJA funding supports a task force, a task force personnel roster should be compiled and maintained, along with course completion certificates, by the grant recipient. Additional information is available regarding this required training and access methods via BJA's web site and the Center for Task Force Integrity and Leadership (www.ctfli.org).
25. The recipient agrees to participate in BJA-sponsored training events, technical assistance events, or conferences held by BJA or its designees, upon BJA's request.
26. All procurement (contract) transactions under this award must be conducted in a manner that is consistent with applicable Federal and State law, and with Federal procurement standards specified in regulations governing Federal awards to non-Federal entities. Procurement (contract) transactions should be competitively awarded unless circumstances preclude competition. Noncompetitive (e.g., sole source) procurements by the award recipient in excess of the Simplified Acquisition Threshold (currently \$150,000) set out in the Federal Acquisition Regulation must receive prior approval from the awarding agency, and must otherwise comply with rules governing such procurements found in the current edition of the OJP Financial Guide. Where local procurement rules are more stringent than Federal and/or State, the local procurement standards should be followed.
27. Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day. A detailed justification must be submitted to and approved by the Office of Justice Programs (OJP) program office prior to obligation or expenditure of such funds.
28. Program income (as defined in the Part 200 Uniform Requirements) must be used in accordance with the provisions of the Part 200 Uniform Requirements. Program income earnings and expenditures both must be reported on the quarterly Federal Financial Report, SF 425.
29. **Award recipients must submit a quarterly financial and performance report by the 25th day of the following month after the calendar quarter end, i.e. January 25th, April 25th, July 25th, October 25th.** The reporting format shall be prescribed by the Office of Homeland Security and Justice Programs. Consistent with the Department's responsibilities under the Government Performance and Results Act (GPRA), P.L. 103-62, applicants who receive funding under this solicitation must provide data that measure the results of their work. Failure to submit required JAG reports by established deadlines may

result in the freezing of grant funds and future High Risk designation.

30. The recipient agrees that funds received under this award will not be used to supplant State or local funds, but will be used to increase the amounts of such funds that would, in the absence of Federal funds, be made available for law enforcement activities.
31. The recipient agrees to monitor sub-contracts under this JAG award in accordance with all applicable statutes, regulations, OMB circulars, and guidelines, including the OJP Financial Guide, and to include the applicable conditions of this award in any sub-contract. The recipient is responsible for oversight of sub-contract spending and monitoring of specific outcomes and benefits attributable to use of JAG funds by sub-contractors. The recipient agrees to submit, upon request, documentation of its policies and procedures for monitoring of sub-contracts under this award.
32. The grantee agrees to assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these grant funds, either directly by the grantee or by a Recipient Agency. Accordingly, the grantee agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the grant, the grantee agrees to contact BJA.

The grantee understands that this special condition applies to its following new activities whether or not they are being specifically funded with these grant funds. That is, as long as the activity is being conducted by the grantee, a Recipient Agency, or any third party and the activity needs to be undertaken in order to use these grant funds, this special condition must first be met. The activities covered by this special condition are:

- a. New construction;
- b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The grantee understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The grantee further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <http://www.ojp.usdoj.gov/BJA/resource/nepa.html>, for programs relating to methamphetamine laboratory operations.

Application of This Special Condition to Grantee's Existing Programs or Activities: For any of the grantee's or its Recipient Agency's existing programs or activities that will be funded by these grant funds, the grantee, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

33. Recipient understands and agrees that award funds may not be used for items that are listed on the Prohibited Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time. The Prohibited Expenditure list may be accessed here:
<https://www.bja.gov/funding/JAGControlledPurchaseList.pdf>.
34. Recipient understands and agrees that award funds may not be used for items that are listed on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, without explicit written prior approval from BJA. The Controlled Expenditure List, and instructions on how to request approval for purchase or acquisitions may be accessed here:
<https://www.bja.gov/funding/JAGControlledPurchaseList.pdf>
35. Recipient understands and agrees that the purchase or acquisition of any item on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, with award funds by an agency will trigger a requirement that the agency collect and retain (for at least 3 years) certain information about the use of 1) any federally-acquired Controlled Equipment in the agency's inventory, and 2) any other controlled equipment in the same category as the federally-acquired controlled equipment in the agency's inventory, regardless of source; and make that information available to BJA upon request. Details about what information must be collected and retained may be accessed here:
https://www.whitehouse.gov/sites/default/files/docs/le_equipment_wg_final_report_final.pdf
36. Recipient understands and agrees that, notwithstanding 2 CFR § 200.313, no equipment listed on the Controlled Expenditure List that is purchased under this award may be transferred or sold to a third party, except as described below:
- a. Agencies may transfer or sell any controlled equipment, except riot helmets and riot shields, to a Law Enforcement Agency (LEA) after obtaining prior written approval from BJA. As a condition of that approval, the acquiring LEA will be required to submit information and certifications to BJA as if it was requesting approval to use award fund for the initial purchase of items on the Controlled Expenditure List.
 - b. Agencies may not transfer or sell any riot helmets or riot shields purchased under this award.
 - c. Agencies may not transfer or sell any Controlled Equipment purchased under this award to non-LEAs, with the exception of fixed wing aircraft, rotary wing aircraft, and command and control vehicles. Specific Controlled Equipment Standards includes policies specifically related to (a) Appropriate Use of Controlled Equipment, (b) Supervision of Use; (c) Effectiveness Evaluation; (d) Auditing and Accountability; and (e) Transparency and Notice Considerations. (An award recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds.)

This limitation on compensation rates allowable under this award may be waived on an individual basis at the discretion of the OJP official indicated in the program announcement under which this award is made.

39. Recipient and Implementing Agency are advised that Metropolitan County Criminal Justice Services Agency (MCCJSA)/Franklin County Office of Justice Policy and Programs policies do not allow for the indefinite funding of programs. Therefore, the Recipient Agency and Implementing Agency must look to other funding sources for future funding of this program. Approval of this subgrant in no way assures funding of this program in future years.
40. Recipient Agency shall provide any project information, documents, or files that may be reasonably required for monitoring, evaluation, and audit purposes, to the MCCJSA (Office of Justice Policy and Programs), Franklin County, or Bureau of Justice Assistance on request. If a project is not operational within 60 days of the original start date of the subgrant period, the implementing agency must report by letter to the Office of Justice Policy and Programs the steps taken to initiate the project, the reasons for delay and the expected start date. A project is considered operational if staff has been hired and funds obligated. If a project is not operational within 90 days of the original start date of the sub grant period, the implementing agency must submit a second statement to the Office of Justice Policy and Programs explaining the implementation delay. Upon receipt of the 90 day letter, the Office of Justice Policy and Programs may cancel the project and redistribute the funds. Modifications to program activities, objectives, or the project budget require prior authorization by the MCCJSA/Office of Justice Policy and Programs. Budget modifications may be made without prior MCCJSA authorization if the modification is less than a ten percent (10%) increase or decrease of an approved line item and the modification does not involve equipment or indirect costs. The Office of Justice Policy and Programs shall promptly notify the Implementing Agency of any suspension or probation in writing. Implementing Agency shall implement corrective action recommended by the Office of Justice Policy and Programs after receiving notice or face cancellation of the sub grant. The Office of Justice Policy and Programs also reserves the right not to reimburse the Recipient Agency for inadequately documented or unauthorized budget expenses.

subgrant application.

52. This sub grant shall be terminated on June 30, 2022, unless the sub grant period is changed and authorized by a Subgrant Adjustment Notice. Recipient Agency shall provide a copy of such audit to the Office of Justice Policy and Programs within 90 days of the issuing of the final audit report. In addition, the Recipient Agency and Implementing Agency shall comply with any additional audit requirements that may be implemented by the Office of Justice Policy and Programs or Franklin County.
59. Recipient Agency is required to maintain records that clearly show the source, the amount and timing of all matching contributions, and any other funds, in excess of the required match, which are utilized by the project. In addition, each funding source utilized in program implementation must be accounted for separately, and provide a clear audit trail by source.

60. State or local appropriations or budgets, which have been supporting an existing program, cannot be used as match against Justice Assistance Grant funds.
61. Recipient Agency will be required to produce and maintain certifiable documentation of new funds which will be committed to the program, showing the rates and extent of the time committed for each match cost line item in the approved budget. Following documentation of commitment, formal accounting records of expenditures and disbursements for match must be kept which clearly show the timing and source of the match funds.
62. Recipient Agency is required to maintain time records in support of the financial records. Especially in cases where staff persons are to be assigned part-time to project activities, Implementing Agency must be able to clearly document the amount of time that each staff person spends exclusively on approved project activities (i.e. separate time records).
