The status, Majority, MBE or FBE, of all companies bidding, or submitting an RFP or RFSQ

Eco-Battery, Inc. – AFA  
Mako Power LLC - MAJ  
Storage Battery Systems, LLC - MAJ  
Utility & Industrial Products, Inc. as agent for EnerSys - MAJ  
Wesco - MAJ

A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.

This unit will be used to replace failed existing battery banks in our substations. The DC power from these batteries supply power to our SCADA systems, power to protective relays and alarms, provides trip and close voltage for breaker operations, powers equipment indicator lights and provides DC power to inverters.

A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.

N/A

An estimate of the full estimated cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.

\$35,655.92
