

Maureen David Bio- 5XNWAC

I have lived in 5xNW since 2007, when I moved here from where I was practicing in Huron, Ohio. I've lived on the same street for the entire 16 years!

I got involved with my Area Commission during Covid, because I wanted to have a voice in the drastic change my neighborhood has undergone since I arrived here. I enjoy interacting with homeowners when reviewing their minor variance requests, and I love giving developers feedback on what we as residents want to see in their proposals.

I am employed full time as a public defender for Franklin County, a job I've been doing since I moved here. It's another way that I am involved in the community at a grassroots level, and it gives me a perspective not everyone has.

I am the Vice President of the Fairy Goodmothers, a non-profit organization that promotes youth empowerment by ensuring every student, regardless of income level, has the opportunity to attend their high school Prom and experience such a seminal high school event. We host an annual event called Cinderella's Closet Boutique, where each student has a personal shopper to help them choose their own prom dress and accessories free of charge. We also give two scholarships and partner with other youth services organizations when we can.
