

RESOLUTION NO. 021-15

Authorizing the Executive Director to enter into a one-year contract with the City of Columbus Division of Refuse for services related to the Environmental Crimes Task Force of Central Ohio and to expend an amount not to exceed seventy-five thousand two hundred dollars (\$75,200.00).

Committee of the Whole

The City of Columbus Division of Refuse Collection, in partnership with the Franklin County Sheriff's office, the Franklin County Prosecuting Attorney's office, Franklin County Public Health, and SWACO, comprise the Environmental Crimes Task Force of Central Ohio. The program partners identify, investigate, and prosecute reported cases of illegal dumping and littering in SWACO's solid waste management district.

SWACO is currently hosting monthly discussions with all program partners to better define the program goals, partner responsibilities, and shared financial support under this program. SWACO staff desires to fund this program in 2015 at the requested budget amount from the City of Columbus, which is slightly lower than their 2014 budget, while discussions continue with the program partners.

Staff recommends the Board approve this resolution authorizing the Executive Director to enter into a contract with the City of Columbus Division of Refuse for services related to the Environmental Crimes Task Force of Central Ohio and to expend an amount not to exceed seventy-five thousand two hundred dollars (\$75,200.00).
