Re: Request for Release of Temporary Easement

Dear Director Gallagher:

I am writing to request release of a temporary easement for work performed on Hamilton Road and Central College Road in 2018. The temporary easement is of record as Instrument No. 201812070165760, Recorder's Office, Franklin County, Ohio. I have attached a copy of the easement for reference.

Please let me know if you need any additional information from me to release the temporary easement.

Very truly yours,

Jill S. Tangeman
