The Division is requesting a bid waiver to use a state term contract that was not bid out by the State of ohio. We were awarded a grant and the grant deadline is December 2024. Furthermore and most importantly there are several other jurisdiction that use this vendor's system which will increase the synergy and investigative ability that has been widely adopted in Ohio and within surrounding jurisdictions such as The Ohio State University, Dublin, Grove City, Hilliard, Reynoldsburg, Upper Arlington, Westerville, Whitehall, and Worthington."

Note if this purchase is the continuation of an existing project.

(Please attach three (3) or more quotations originally received. If three quotes were not solicited for the original purchase, three are required now.)

The state did not bid out this contract

If three quotes were not received, attach any documentation supporting using the STS as the most cost effective method. This includes price research, efficiencies realized, or any other evidence of cost effectiveness. Requests over \$50,000 will require a bid waiver from City Council.
