Subject: Single Source document explaining why CGI is the only provider

Dear Smita:

This letter is to certify that the intellectual property rights of the OpenGrid formerly known as OpenGrid source code, executable code and the Banner Interface developed by CGI and no other party is allowed to install, modify or support this proprietary code.

Therefore, CGI as owner and manufacturer of the OpenGrid software is the sole provider for services and maintenance performed in relation to OpenGrid and the Banner Interface software.

Should you have any question, please feel free to contact me

Sincerely,

Robert Phillips
