I do not know if 160 Driving Academy is registered with the City.

Let me know what you need me to do.

Thank you,

Subject: [EXTERNAL] Re: My contact info

Our current cost per student is \$5,538.50

Without the cost of the physical I can take the pricing to 5400 flat, if you contracted to send the full 20+ students we could do 5300.
