Residential

Yes No

- Does 1st the engine meet the National Standards for staffing? Yes No
- Does 1st the alarm residential response meet National Standards for staffing and times? Yes No
- Does the standard commercial response address all specific hazards within the annexed area? Yes No
- Will existing apparatus and human resources be able to handle this annexed area? Yes No

With regard to the staffing standards, CFD meets the NFPA standard during the last twelve hours of a shift, but we sometimes run with three FF on apparatus during the first twelve hours which is one person below NFPA.
