RE: Sole Source

Dear Mr. Knott,

MorphoTrak, LLC is the leader in Automated Fingerprint Identification Systems Worldwide. Our equipment is manufactured and integrated at 1250 North Tustin Avenue Anaheim, CA 92807. The systems we manufacture are a combination of commercial off-the-shelf products and proprietary hardware and software components, which combine to make up the AFIS systems we sell and deliver to law enforcement agencies. Such is the case with the system located at the City of Columbus Division of Police.

By nature of the proprietary hardware and software components and the overall system design, there are currently no other companies authorized to perform maintenance services on our systems. Therefore, our support contracts must be considered a sole source item of procurement for the City of Columbus Division of Police and any other agency that requires support services to be performed on their AFIS products.

Thank you for your continued support of MorphoTrak. We look forward to a long partnership with you.

Sincerely,

A handwritten signature in black ink that reads 'Susan Noisseau'.
