

**STAFF REPORT  
DEVELOPMENT COMMISSION  
ZONING MEETING  
CITY OF COLUMBUS, OHIO  
JUNE 10, 2021**

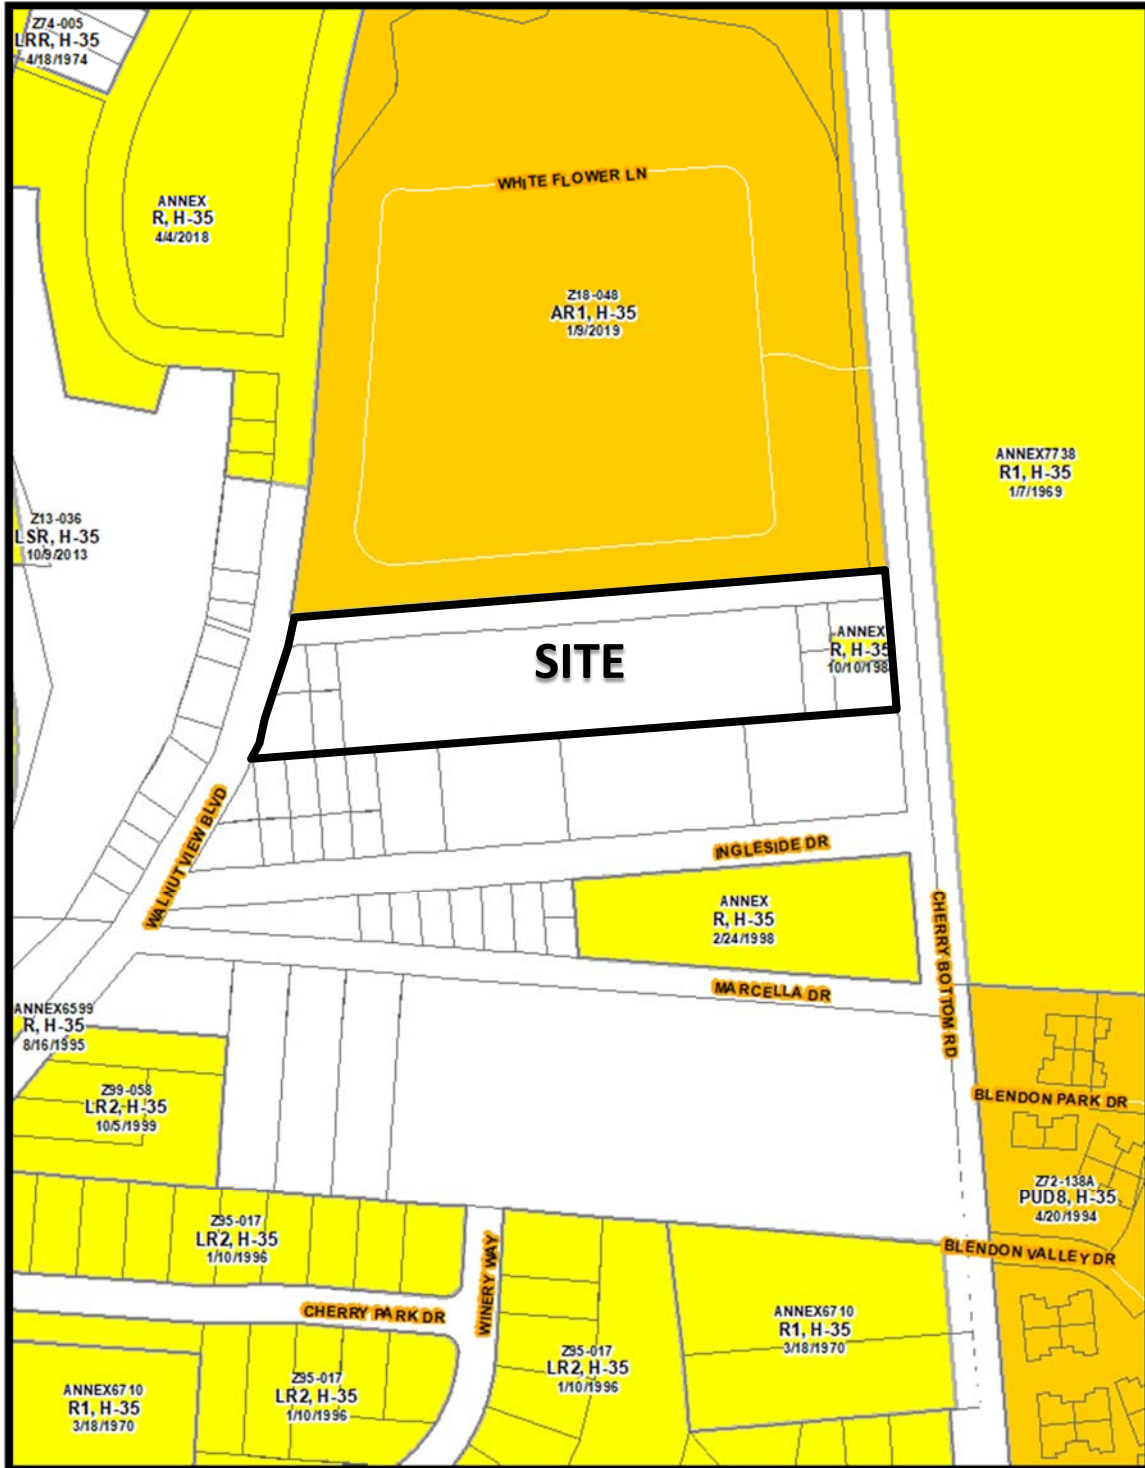

- 6. APPLICATION: Z21-022**  
**Location:** 4701 BEECHWOOD DR. (43230), being 3.22± acres located on the west side of Cherry Bottom Road, 140± feet north of Ingleside Drive (110-00376 & 9 others; Northland Community Council).  
**Existing Zoning:** R, Rural District.  
**Request:** AR-1, Apartment Residential District (H-35).  
**Proposed Use:** Multi-unit residential development.  
**Applicant(s):** Magnolia Trace, LLC; c/o David Hodge, Atty.; Underhill & Hodge; 8000 Walton Parkway, Suite 260; New Albany, OH 43054.  
**Property Owner(s):** Floyd and Jacqueline Blackburn, et al; 4701 Beechwood Drive; Columbus, OH 43230.  
**Planner:** Tim Dietrich; 614-645-6665; [tedietrich@columbus.gov](mailto:tedietrich@columbus.gov)

**BACKGROUND:**

- The site consists of one parcel in the R, Rural District and nine other parcels currently undergoing annexation into the City of Columbus from Franklin County. The requested AR-1, Apartment Residential District will permit a multi-unit residential district containing up to 72 apartment units. The development is an extension of the existing multi-unit residential development north of the site.
- North of the site is a multi-unit residential development in the AR-1, Apartment Residential District. South and west of the site are single-unit dwellings in the R-8, Restricted Urban Residential District in Blendon Township. East of the site is parkland in the R-1, Residential District.
- Concurrent CV21-033 has been filed and includes variances to the minimum number of dwellings units, parking lot screening, maneuvering, parking space, building setback, lot size, lot coverage, perimeter yard, side yards, rear yard, and a parking space reduction. That request will be heard by City Council and will not be considered at this Development Commission meeting.
- The site is within the planning boundaries of the *Northland Plan Volume II* (2002), which recommends “Blendon District” land uses at this location.
- The site is located within the boundaries of the Northland Community Council whose recommendation is for approval.
- The *Columbus Multimodal Thoroughfare Plan* identifies Cherry Bottom Road as a Suburban Community Connector requiring 100 feet of right-of-way.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval.

The requested AR-1, Apartment Residential District will permit a multi-unit residential development, an extension of the existing development to the north. The proposed use is consistent with the *Northland Plan Volume II*, which encourages infill development be compatible with surrounding land uses, includes connectivity to the development north of the site, includes buffering from adjacent single-unit dwellings, and is compatible with the surrounding zoning and development pattern. Planning Division Staff does request additional information on proposed Big Walnut Trail connections to the site.

### Blendon District

This district is almost completely annexed and zoned in the city of Columbus. The district stretches from Hamilton Road to I-270 (east to west), and SR-161 to Morse Road (north to south). The predominant land-uses are the Blendon Woods Metro Park, Hap Cremean Water Plant (Columbus), detached single-family subdivisions, some condominium and apartment units, and burgeoning commercial uses along Hamilton Road. Additional roadways in this district include Sunbury and Broadview roads.
