You will need to generate a new full PDF file of the executed agreement in order to have a copy for your files. The new PDF file, this letter and any attached Special Conditions comprise the entire executed agreement for this grant.

Modifications to your initial proposal are reflected in this executed agreement. **Concerns regarding your executed agreement must be addressed and resolved prior to the expenditure of grant funds.**

All applicable forms related to your grant can be found, and must be submitted, online through the GRANTS system portal. The "Authorized to Proceed Date" for this agreement is **October 1, 2014**. The "Agreement Termination Date" is **September 30, 2015**. The only costs eligible for reimbursement under this agreement are those incurred within these dates.

Before proceeding with this agreement, a representative from your agency is required to read in its entirety the "Pre-Activity" presentation provided online and acknowledge completion by returning the Pre-Activity form prior to starting any grant-related activity. **Note: This agreement is to be funded under the federal grant program that begins October 1, 2014. This grant is funded under Catalog of Federal Domestic Assistance (CFDA) program National Priority Safety Programs number 20.616. Funding of this agreement is dependent upon the availability of federal funds as appropriated and obligated by the US Department of Transportation for FFY 2015. Should any change in federal funding adversely affect the OTSO's ability to implement an approved agreement, the OTSO reserves the right to revise or terminate any approved grant in writing. The OTSO reserves the right to limit grant amounts at any time based on performance and/or available funding.**

The staff of the OTSO looks forward to working with you to reduce traffic related fatal and serious injury crashes in Ohio.

Sincerely,

Staff Lieutenant Steven R. Rine, Commander  
Ohio Traffic Safety Office
