This letter serves as approval from Fleet for this purchase – simply attach the same to the legislation – please. Please place Fleet in the approval path of your legislation. Please also note the 2 Brass Tagged units that we junked as these are their replacements.

Thanks

Finance – this is part and parcel and so noted in our 2013 Buy Plan for R&P – which should be in hand for you all in the next few days!

Thanks,

Kelly W Reagan
