City of Columbus, Department of Technology

Dear Greg:

This is to confirm that 3SGPlus, LLC is the only company authorized by Hyland Software, Inc. to provide The City of Columbus any OnBase products and services. We have successfully provided these services to the city since 2007.

Please connect with us for all your requirements.

Please let me know if you have any questions or if you need any additional information.

Respectfully,

A handwritten signature in black ink, appearing to read "Nanda Nair". The signature is fluid and cursive, with a prominent vertical stroke at the beginning.
