

Ord No.

Information to be included in all Legislation authorizing entering into a Contract:

1. **The names, contract compliance no. & expiration date, location by City/State and status of all companies (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR) submitting a competitive bid or submitting an RFP or RFSQ.**

<u>Name</u>	<u>C.C. No./Exp. Date</u>	<u>City/State</u>	<u>Status</u>
Ward & Burke Tunneling	019865 / 12/8/2024	Columbus, OH	

2. **What type of bidding process was used (ITB, RFP, RFSQ, Competitive Bid).**

Competitive Bids were opened on November 30, 2022. Three bids were received.

3. **List the ranking and order of all bidders.**

1. Ward & Burke Tunneling Inc.	\$23,889,051.75
2. Super Excavators, Inc.	\$48,064,500.00
3. James W Fowler Co	\$51,431,692.00

4. **Complete address, contact name, phone number, and e-mail address for the successful bidder only.**

5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract. The planning area should also be listed as well as any street or neighborhood names.**

This project is an extension of the Intermodal Sanitary Subtrunk along Rickenbacker Parkway and Airbase Road from 3329 Thoroughbred Court to County Road 237. Phase 1 will construct approximately 7,500 feet and the majority of the installation will be a 54-inch diameter sewer constructed by tunneling methods.

Planning area = "99-Citywide"

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

The duration of the contract for the Intermodal Sanitary Subtrunk Extension, Phase 1 project is expected to begin first quarter 2023 with an anticipated finish date in the second quarter of 2026.

7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.

This project will extend sanitary sewer service further into the Northern Pickaway Joint Economic Development District (JEDD) by constructing a new sanitary subtrunk sewer from the planned terminus of the Lockbourne Intermodal Subtrunk easterly along Airbase Road to the JEDD's eastern service boundary near Walnut Creek.

This project will provide City sanitary sewer service to a quickly developing service area. This project will increase the water quality by eliminating potential ground water pollution by preventing the installation of package treatment systems. In addition, the project has economic benefits by increasing the sewer revenues, creating additional industrial/commercial development and new jobs.

8. An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.

The bid amount and proposed award amount is \$23,889,052.00, including a 10% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Cost summary:

Original Contract	\$ 23,889,052.00
Future Anticipated Needs	\$ <u>0.00</u>
CONTRACT TOTAL	\$ 23,889,052.00
