Re: City of Columbus Graphics Commission

Dear David,

I would be most honored to submit my name for consideration for the re-appointment to the City of Columbus, Graphics Commission. I am currently the Vice President of the Central Ohio Sign Association (COSA).

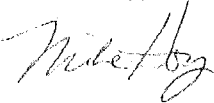

I have been employed full time with Columbus Sign Company since 1973. Currently, my brother and I are third generation owners of the company. Columbus Sign Company has been established in Columbus since 1911, I hold a valid General Sign Erectors License for Columbus Sign Company.

After graduation from Walnut Ridge High School, I attended Ohio State University for two years before deciding to pursue a sign industry career. I have been married for 40 years and have two sons that are also employed at Columbus Sign Company (4th generation?) I am a member of Brookwood Presbyterian church and have held various church positions throughout the years. I am a member of the Downtown Sertoma Club, a service organization. I have held the position of president of the Central Ohio Sign Association (formerly known as Columbus Sign Contractors Association).

I have been a resident of the City of Bexley for over 30 years and will be moving to a new home within the City of Columbus.

Should you need any additional information or background, please let me know.

Sincerely,

Mike Hoy
