Subject: Case #AP-11-02

The Big Darby Accord Advisory Panel considered the Big Darby Town Center Master Plan (Case #AP-11-02) at the October 11, 2011 meeting.

The Panel recommended approval of the Big Darby Town Center Master Plan (Case #AP-11-02) with the following conditions:

Prior to the release of the RFP the following must be completed:

Either a revised storm water management plan consistent with preserving the quality and flow regime of the Big Darby be established by the jurisdictions involved in the TCMP or a revised storm water permit consistent with preserving the quality and flow regime of the Big Darby is in effect.

Establish a plan for monitoring and adaptive management actions with the implementation of the TCMP.

Respectfully,

R. Lee Brown

Big Darby Accord Advisory Panel Secretary
