

Terrabounel Solutions is defined as a Foreign Corporation under ORC 1703.01(8).

As a Texas based corporation, we have no presence, offices, employees, or company vehicles in the State of Ohio, and thus maintain no nexus with the State of Ohio.

All sales are made solely via interstate commerce, and all deliveries are made by third party earner to the delivery location.

Under ORC 1703.02, 'Corporations Excepted,' it states "Sections 1703.01 to 1703.31 do not apply to

corporations engaged in this state solely in interstate commerce, including the installation, demonstration, or repair of machinery or equipment sold by them in interstate commerce, by engineers,

or by employees especially experienced as to such machinery or equipment, as part thereof, to credit

unions, title guarantee and trust companies, bond investment companies, and insurance companies; or

to public utility companies engaged in this state in interstate commerce."

Therefore, we are not required to register with the Ohio Secretary of State as an out-of-state supplier

engaged solely in interstate commerce.
