RE: BID RECOMMENDATION-TANDEM AXLE CONVENTIONAL DUMP TRUCK
SA003316

The Purchasing Office opened formal bids on July 16, 2009 for the purchase of a Tandem Axle Conventional Dump Truck for the Division of Power and Water. Two (2) bids were received.

Center City International was the apparent low bid of \$107,989.00 (bid # 1). They, however, are non-responsive. They changed the terms & conditions of the 180 day acceptance/rejection by stating the bid was only good for 60 days from bid opening.

The second lowest bid was FYDA Freightliner, at \$110,025.00 and they meet our specifications.

Therefore, I am recommending award go to FYDA Freightliner as the lowest responsive, responsible, and best bidder to meet our specifications. This award is for a Tandem Axle Conventional Dump Truck with a Galion Hoist. The total award will be for \$110,025.00.

If additional information is needed please contact Jim Tindle at 614-724-0128.
