EMPLOYMENT

JWAA, Columbus, Ohio

April 2005 to Present

Owner

The creation of JWAA has integrated my design, merchandising, and marketing skills. In the past two years, JWAA has redeveloped seven residential properties—six of which were complete gut restorations. Careful attention to interior detail, finish, and the current resale environment helped place these properties in the prime, highly competitive market. Additionally consulted on design projects both interior and exterior outside of JWAA owned properties. Maintained contact and stayed current with the retail marketplace through consulting projects involving brand imaging, store planning, and high profile store floorsets with brands including Express, Soma, and IMO.

ORGANIZED LIVING, Columbus, Ohio

June 2004 to April 2005

Creative Designer

Designed and created Holiday 2004 in-store visual experience and prop package. Conceptualized, designed, and sourced flat surface fixture package to all stores. Strengthened color branding concept with store departmental colors, lifestyle vignettes, employee uniforms, and cohesive prop package. Broadened Organized Living's international relationship with product and prop vendors. Created Visual and Marketing library of magazines and vendor catalogs. Facilitated final stages of new home office set-up. Organized and guided local store laboratory.

BATH & BODY WORKS, Columbus, Ohio

April 2002 to February 2004

Creative Coordinator

Planned and merchandised new stores. Developed store guidelines to facilitate opening and running new, high profile, and new concept stores. Created prop and fixture package to drive sales and complement the store experience consistent with the evolution of the brand image. Created and implemented Visual Guide for store set-up. Photographed and documented all floor-set activities including fixture set-up and photo styling on location inside the store. Extensive documentation and photo editing to create a comprehensive and engaging document for a 1,600 Store Chain.

BATH & BODY WORKS, Columbus, Ohio

October 2000 to April 2002

Consultant

Created and developed store themes during floor-set. Assisted in prop sourcing and purchasing. Worked on special projects and store openings. Redecorated New York Design Office as well as off-site Brand Meeting House.

GARDEN DESIGN, Columbus, Ohio

February 2000 to November 2000

Installer/Designer

Installed and maintained formal English Estate Garden. Designed and built walls, walks, and terraces, as well as selected and maintained plant material. Year round attention to color and detail as garden was continually manicured for luncheons and formal evening receptions.

POTTERY BARN, Columbus, Ohio

November 1998 to February 2000

Design Studio Coordinator

Responsible for departmental Home Furnishings and Furniture business. Implemented monthly and seasonal floor design. Education and development of new employees. Responsible for promotion of sales through merchandise layout.

JOSHUA WOOD ART & ANTIQUES, St. Louis, Missouri, Columbus, Ohio September 1996 to Present
