

**MEMORANDUM OF UNDERSTANDING  
BETWEEN THE CITY OF COLUMBUS DEPARTMENT OF PUBLIC UTILITIES AND  
DELAWARE COUNTY REGIONAL SEWER DISTRICT**

This Memorandum of Understanding (MOU) has been prepared in collaboration between the City of Columbus Department of Public Utilities (DPU) and Delaware County Regional Sewer District (DCRSD) to document an agreement reached between these two parties which are the signatories of this MOU. Refer to Exhibit 1 being made part of this MOU.

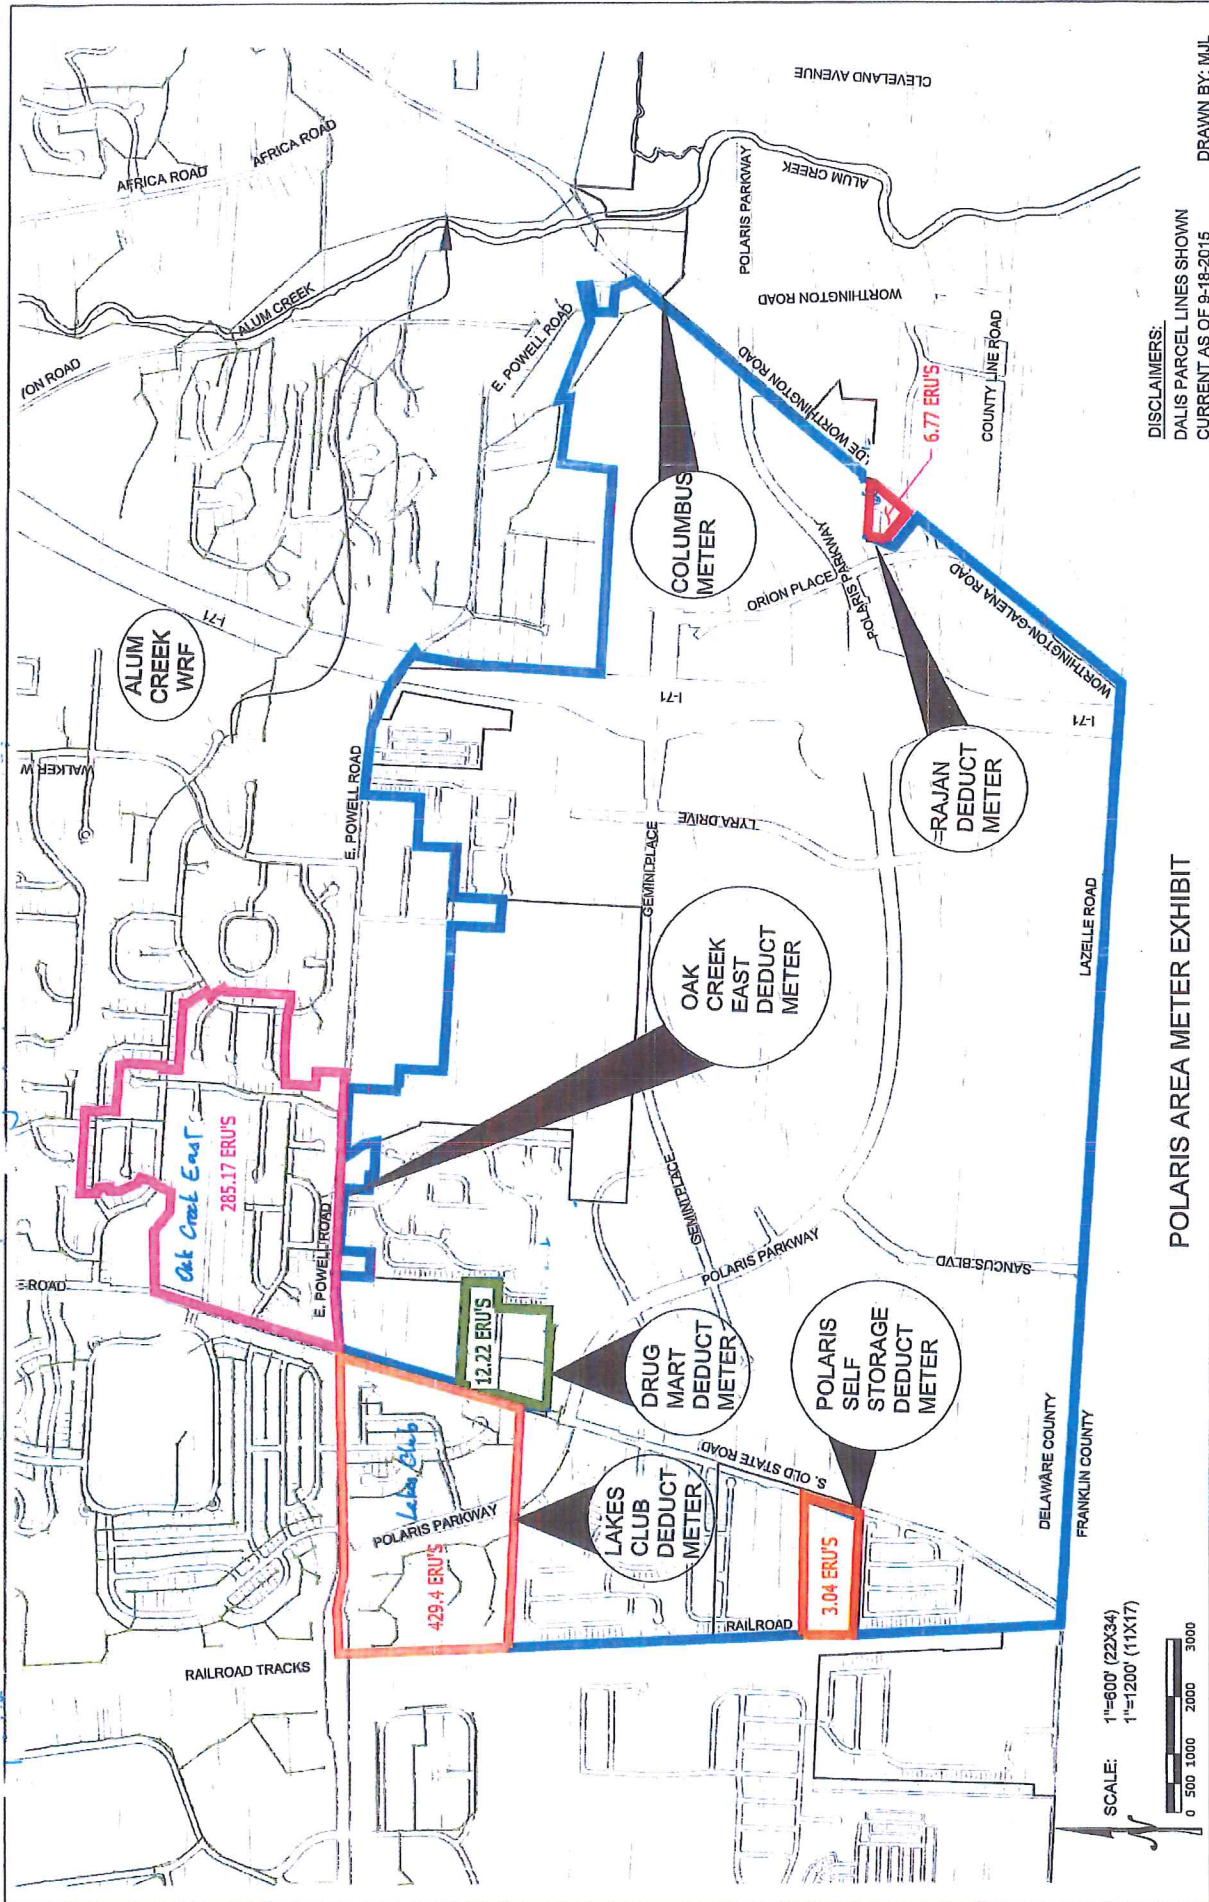

1. DPU and DCRSD agree to discontinue using flume metering devices in the following areas located within the Area #1 as described in the Agreement for Sanitary Sewer Service between Delaware County and the City of Columbus signed 11/12/1991 and modified 07/12/2012 (Agreement): Polaris Discount Drug Mart (annexed into Columbus as of December 2017), Polaris Self-Storage (3.04 ERU's) and Rajan (6.77 ERU's) starting on October 1, 2018. Flume metering devices shall also not be used for any future deduct metering areas less than sixty (60) ERU's.
2. In lieu of using flow metering information for deduct billing purposes for these areas referenced in item 1, DPU and DCRSD agree to use 290 gpd/ERU (gallons per day per ERU). This number is based on DCRSD Rules and Regulations.
3. DPU and DCRSD agree to maintain the current practice of using flume flow metering for the following two areas discharging their sewage flows into the Area #1 Columbus sewers: Lakes Club (429.4 ERU's) and Oak Creek East (285.17 ERU's). It is believed by both parties that flow metering in these two areas results in more accurate readings due to their size.
4. DCRSD agrees to transfer the ownership of the Polaris Discount Drug Mart (Candlelight Lane) sewer CC-12296 to DPU at no cost on October 1, 2018, whereupon DPU shall immediately assume all obligations to operate and maintain sewer CC-12296. DCRSD may remove flow metering appurtenances from the sewer as desired, subject to the sewer remaining functional and in good working condition.
5. DPU will start billing for sewage collection of the previously metered Polaris Discount Drug Mart area properties per applicable billing procedures starting on October 1, 2018.

DCRSD and DPU agree to incorporate the above items as appropriate into a Modification of the Agreement, to occur in 2018.

The signatures below signify concurrence with this MOU.

 Tiffany M. Maag, PE Director/Sanitary Engineer, DCRSD	 Tracie Davies Director, DPU
