RE: Assignment and Assumption

Dear John,

Per your request, we are providing this letter to confirm that EmNet, LLC was merged into Xylem Vue, Inc. as part of an internal reorganization. Over the last few years, Xylem has acquired a number of companies and technologies that strengthen our digital transformation offering and leadership. This merger consolidated Xylem's digital solutions groups into one corporate entity to simplify our corporate structure.

As a result of the merger, Xylem Vue has assumed all of EmNet's rights, duties, obligations and interest under all pay orders under CIPs 650009-100002 and 650009-100003 with the City of Columbus. No changes will be made to your service level or project delivery team and you should not notice and difference in our daily activities.

Please review the relevant information about the new corporate entity:

- Date of merger/acquisition: **March 31, 2021**
- Federal Tax ID: **85-1368169**
- Contract Compliance No (CCN): **034990**
- CCN Expiration Date: **Feb 25th, 2023**

If you have any questions about the corporate reorganization please let me know.

Very Truly Yours,

David Alban
